ENGLISH LANGUAGE

Composition

Write an essay on Republic Day.

Comprehension

Read the paragraph. Then answer the questions.

About Hippos

The hippopotamus spends a lot of time in water. In fact, the name of this amazing African animal means “river horse.” During a hot day, a hippo will spend hours in rivers and lakes. Only its eyes, ears, and nostrils can be seen above the water. This helps to keep the hairless animal from getting sunburned. Although it eats water plants, the hippo goes ashore at night to find larger plants. If it is the dry season and the water is low, a hippo rolls in mud to cover its huge body. This way its skin doesn't dry out

1. The main idea of this paragraph is
 - A. a hippopotamus is a water horse.
 - B. this animal is a plant-eater.
 - C. hippos live only in Africa.
 - D. a hippo spends a lot of time in water.
2. A supporting detail is
 - A. sometimes hippos overturn boats.
 - B. sunburn is a problem for many animals.
 - C. a hippo likes to roll in mud.
 - D. water protects a hippo's skin from the sun.
3. Which word in the passage is a clue to how the writer feels about hippos?
 - A. huge
 - B. hairless
 - C. amazing
4. From this paragraph, you can conclude that hippos
 - A. like to hide.
 - B. have sensitive skin.
 - C. are lazy.
 - D. are night creatures.
